ACTIVITIES DIRECTOR

Due to the significant increase in 'Senior' population, as well as continuing research & development of special programs for physically, emotionally & mentally compromised population, as well as Youth Development, the profession of Activities Director has become more rewarding, challenging and highly specialized. While most "Activities Directors" work at long-term care facilities, senior centers and hospice, they are now very involved in diverse environment, including Community Centers, Nursing Homes, Day Care Facilities and Youth Centers.

This comprehensive training provides you with extensive knowledge and leadership ability, to enhance your earning potential, work in a variety of employment settings, and/or to become self-employed independent Activities Director. It also includes training for MEPAP (Modular Education Program for Activities Professionals), which is required for the Certification (NCCAP). Special seminars/workshops are available for specialized careers, after the basic training.

Competency Based accelerated programs, based on credit for previous studies, experience, research or examination, may allow you to complete the program in less time. Most courses, including Continuing Education Programs, may be available on-campus, on-line or a combination thereof. Labs & Clinical Training (Internship) however must be completed at the school and/or at designated facility.

American Academy of International Education offers more than 600 courses in 35+ exciting careers. Students have the option to take just one course from any prescribed curriculum or study for the whole program. We offer a unique 'Modular' curriculum, allowing our students and/or graduates to study or transfer to any other profession within our institution, without losing time and money, graduate and start your own business, or become employable in multiple careers.

New Classes begin in January, April, July & October on 3-month Trimester basis. Scholarships, Student Loan or Pay-As-You-Study programs are available. Classes are held during the day, evening or weekends for your convenience.
