# ARTS & HUMANITIES

This program has been designed for the student who is interested in pursuing post-secondary education, but is still undecided about the focus of his/her higher studies, future direction or the profession he/she wants to pursue. The students have the option, at any given time, to transfer to another college or to our school of Arts & Humanities, Business Administration, Languages & Cultures, or to our School of Health & Medicine.

Graduates of this program can pursue careers in a wide variety of industries, including governments, community services, sales & service, manufacturing, teaching, working at Art Galleries, Theaters, or for Non-Profit Organizations.

We offer a unique 'Modular' curriculum, allowing our students and/or graduates to study or transfer to any other profession within our institution, without losing time and money, graduate and become employable in multiple careers.

American Academy of International Education is duly approved by the State of Michigan for post-secondary education. The programs are based on 4-trimester per year with new classes starting in January, April, July and October. This program is also available on-line. Classes are held once or twice a week, during the day, evening or weekends for your convenience.

Graduates & Students will be helped find a paid, or a volunteer position or internship in a related field.
