SOCIAL & HUMANS SERVICES ASSISTANT

Social & Human Services Assistants help social workers, healthcare workers and other professionals to provide services to people, to improve their quality of life. They play a variety of roles in the community, from organizing and leading group activities and assisting clients in need of counseling or crisis to administering food banks, work in half-way houses, group homes to hospitals & clinics, community centers and myriad of non-profit organizations.

SHSA is a generic terms for workers with a wide array of job titles, including human service workers, case-management aides, social work assistant, community support workers, mental-health-aides, community outreach workers, life-skills counselors, social services aide, youth workers, psychological aides, client-advocates and gerontology assistants.

If you enjoy working and helping people of all ages and want to make a difference in the lives of people. If you like the challenges of playing a variety of roles, then this is your opportunity to enter a field which is very rewarding, both financially and self-gratifying.

American Academy of International Education is duly approved by the State of Michigan for post-secondary education. The programs are based on 4-trimester per year with new classes starting in January, April, July and October. This program is also available on-line. Classes are held during the day, evening or weekends for your convenience.

We offer a unique 'Modular' curriculum, allowing our students and/or graduates to study or transfer to any other profession within our institution, without losing time and money, graduate and become employable in multiple careers. Students will be helped find a paid, or a volunteer position or internship in a related field
