

Michigan Licensing Program Massage Therapist

Therapeutic Massage is the scientific art & system of assessment and systematic manual application of a technique to the superficial soft tissue of the skin, muscles, tendons, ligaments, and fascia, as well as to the structures that lie within the superficial tissue, by means of the hand, foot, knee, arm, elbow, and forearm.

The 625-hour 1-Year Certificate course offered by the American Academy of International Education (AAIE) is required for the examination & licensing by the State of Michigan. This comprehensive training in Massage Therapy at AAIE provides you with extensive knowledge of Human Anatomy, Physiology and a variety of modalities in Massage Therapy. Take optional courses and be a Specialist.

The evidenced-based research & enhanced knowledge about the benefits of Therapeutic Massage plus significant change in demographics and elderly population, has created a huge demand for qualified Massage Therapists to work at Hospitals, Physical Therapy, Chiropractic & Outpatient Clinics, Rehabilitation Centers, Acute or Long Term Care Facilities, Nursing Homes, Industrial & Corporate Health Centers, Athletic and Sports Facilities, Fitness Centers, etc.

The Comprehensive & unique Programs of AAIE also trains you to set-up your own private clinic. Become a Specialist & enjoy higher income and prestige in a rapidly growing profession.

New Classes start in January, April, July and October. Financial help may be available from the Michigan Works. AAIE also offers facility to pay the tuition in easy payments, without any interest or service-charge. Classes are held during the day, evening or weekends for your convenience.
